

Butterflies

Build a Butterfly

(2+ players)

How to play:

- Print 1 Build A Butterfly jigsaw for each player involved, stick onto card and cut out.
- Place the jigsaw pieces face down around the garden/play area. You can hide them if you want!
- On the signal Go! Players race to collect all the cards they need to build a butterfly.
- They race to create their jigsaw first.
- Players can either collect cards of any colour to create their own multi-coloured butterfly OR are given a specific colour to collect.
- The winner is the player who builds their butterfly first.
